8 January 2016

Dear Mr. Haythornthwaite,

With reference to your letter dated 04 January 2016, this letter is a notice of suspension from the Ministry of Education, Youth and Sport addressing to all parties, both current and future, engaged in activities of the establishment and/or management of Community Learning Centers.

The purpose of this notice is to announce the immediate suspension of Section 2 (Articles 7-11) from Prakas 2429: Establishment and Management of Community Learning Centre.

All stakeholders agree on the need for, and value of minimum standards in the establishment and management of community learning centers. This suspension serves to facilitate external donors and development partners to engage in and support both ongoing as well as future non-formal education activities within community learning centers. Invested stakeholders commit to working together along with MoEYS to improve section 2; revising the current legislation to allow all parties wishing to work in the establishment and management of community learning centers to work towards realistic, achievable minimum infrastructural standards.

Effective upon signing of this suspension of Section 2 Prakas 2429 infrastructural and facility requirements will default to the previously issued legislation on the 2014 MoEYS Guidelines on Community Learning Centre.

Thank you for your cooperation. *sh*

Sincerely,

Hang Chuon Naron  
Minister of Education, Youth and Sport
