

Bill of Quantities

Introduction:

The Bills of quantities and its introduction constitute a fundamental Part of the tender document.

- 1) Bids prices are to be submitted in Jordan Dinars.
- 2) Items mentioned in the Specification & the description are considered part of the B.O.Q even if it's not mentioned in the B.O.Q list; Bidders should refer to the other tender documents to assess the requirements prior to pricing the items.
- 3) Bidders should price all B.O.Q items, the prices are considered abiding to the Contractor for items supplied all over the project area. Change in the bid unit prices is not allowed for any reason.
- 4) The unite prices include protection of all existing structures and Services as well as re-instating them to the original condition.
- 5) Unit prices are to be filled in writing and in numbers.
- 6) Any additional item that entails additional cost, supplied and/or installed by the Contractor without the prior approval of the Engineer will not be measured and reimbursed.
- 7) The contractor should submit cost analyses for all project B.O.Q items.
- 8) Unit prices are fixed, and No Consideration for extra allowance will be given to compensate for increase or decreases of quantities, whether small or substantial.

Measurements and Payments

- 1) The B.O.Q item quantities are estimated, the contractors will be paid for the actual measured quantities.
- 2) ACTED supervision team will be working and available 5 days a week from 8:00 to 4:00 PM, the team shall reach ACTED Mafraq base at 4:00 PM. Working on holidays or Saturdays will not be allowed without the written approval of ACTED Project manager, the contractor shall alert ACTED PM before at least 48 hours from the need of working on holidays or Saturdays. If it is necessary to work on holidays and/ outside working hours, the Contractor shall pay the cost of providing car/transportation with driver & needed fuel for the supervision team without any additional costs or compensation on ACTED.
