Position context and key challenges

ACTED has been present in Yemen since early 2012, and implements activities in the central-western and central-southern regions. The presence of ACTED in Yemen has been anchored to the governorates of North of Yemen, North of Yemen, Raymah and Ad-Dhalee where, in the last three areas especially, the organization has been virtually the only international actor directly implementing activities.

ACTED delivered assistance across nine governorates of Yemen over the course of 2019, with the majority of projects focusing on emergency response, such as distributions of food vouchers, cash, hygiene kits and winterisation kits. The food security situation in Yemen continues to be volatile and more households are increasingly relying on humanitarian assistance for their survival. ACTED's work also focused on the rehabilitation and recovery of communities, with beneficiaries participating in cash-for-work activities and livelihoods trainings.

According to UNHCR, there are almost 2.4 million internally displaced people currently in Yemen, however, Camp Coordination and Camp Management (CCCM) is not looked upon favourably by the authorities.

Nevertheless, through ACTED's CCCM project in Aden and Al Dhale'e, the organisation has become the focal point for the CCCM cluster's area coordination in Al Dhale'e, affirming ACTED's knowledge and experience in the sector.
