Position context and key challenges

ACTED started its operations in Eastern Ukraine in 2015 to provide support to vulnerable people affected by the conflict that began in 2014. In 2022, as refugees are fleeing clashes across Ukraine triggered by military operations, ACTED is now extending its activities to deliver critical assistance to displaced persons in the main hosting regions and to support self-help and local organizations groups that have spontaneously formed. As the number of civilian casualties continues to grow and damage to critical infrastructure increases, ACTED is scaling-up its humanitarian assistance to help ensure those in transit, internally displaced or remaining in hotspots receive the basic support they need, including cash assistance, water, food and hot meals, blankets, hygiene supplies and access to mobile heating points. Finally, ACTED is also taking part in the ongoing efforts to provide humanitarian assistance to refugees in the neighboring countries of Poland, Romania and Moldavia where 3 humanitarian response teams have been deployed.
