

OFFER FORM ACTED [oPt]
Lot 2 – Metal

Tender N° : T/12MULTI/MULTI/EMR/RML/01-12-2022/001

Order ID (filled in by ACTED): OF/12MULTI/MULTI/RML/PROGRAM/07-11-2022

Date (filled in by Bidders):

To be Filled by Bidder (COMPULSORY)

Company's Name (as per registration documents)	
Company Authorized Representative's Name (as per registration documents or duly signed Power of Attorney)	
Company Registration Number	
Registration body	
Company's mailing address Shop/Office/Building No Street name City Governorate/province/district Country	
Commercial representative for the bid (if different from authorized representative)	
Phone contact number Landline Mobile No	
Email address	

I undersigned (to be filled in by Bidders)

agree to provide ACTED, non-profit NGO, with items answering the following specifications, according to the general conditions and responsibilities that I engage myself to follow.

PLEASE FILL IN THE FOLLOWING TABLES:

- If the tender is divided into lots, the Bidder may bid for one or all lots. Each lot may be subject to a separate contract and the quantities indicated for the different lots cannot be divided. The Bidder must offer all items & quantities indicated for each lot. Bids for part of a lot only will not be considered.
- If the Bidder is awarded more than one lot, a single contract may be concluded including all lots.

UNIT AND TOTAL PRICES MUST BE INCLUSIVE OF ALL COSTS (TRANSPORTATION, LOADING/OFFLOADING, APPLICABLE TAXES, ETC.).

PLEASE ATTACH ANY TECHNICAL DESCRIPTION OF ITEMS SUCH AS CATALOGS, AND SAMPLES AS REQUESTED BELOW.

1. Residential Caravan 32 m²

Design code: C32

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Residential Caravan 32 m ² as per technical specifications in Annex 2	L.S	1							

2. Residential Caravan 45 m²

Design code: C45

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Residential Caravan 45 m ² as per technical specifications in Annex 2	L.S	1							

3. Latrine

Design code: L

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Latrine as per technical specifications in Annex 2	L.S	1							

4.PWD Latrine

Design code: PL

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
PWD Latrine as per technical specifications in Annex 2	L.S	1							

5. Water Tank 1 m³ - Vertical

Design code: W1-V

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Water Tank 1 m ³ – Vertical as per technical specifications in Annex 2	No.	1							

6. Agricultural Water Tank 1 m³ - Horizontal

Design code: W1-H

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Agricultural Water Tank 1 m3 – Horizontal as per technical specifications in Annex 2	No.	1							
7. Water Tank 1.5 m³ <i>Design code: W1.5</i> Please check Annex 2 for details and technical specifications Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.									
To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Water Tank 1.5 m3 as per technical specifications in Annex 2	No.	1							
8. Water Tank 5 m³ <i>Design code: W1.5</i> Please check Annex 2 for details and technical specifications Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.									
To be filled in by ACTED			To be filled in by the Bidder						

Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Water Tank 5 m3 as per technical specifications in Annex 2	No.	1							

9. Caged Water Tank 1000 Liter

Design code: CWT

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Caged Water Tank 1000 Liter as per technical specifications in Annex 2	No.	1							

10. Mobile Water Tank 3500 Liter

Design code: MWT

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder

Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Drinker as per technical specifications in Annex 2	No.	1							

24. Barrier

Design code: E

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Barrier as per technical specifications in Annex 2	No.	1							

25. Fence

Design code: F

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and delivery to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Fence as per technical specifications in Annex 2	LM	1							

26. Mechanism of Fixing Caravan

Design code: FC

Please check Annex 2 for details and technical specifications

Price includes wages, material, accessories, supplying, fabrications, installation, fixation and heading to the specified locations in the WB including area C as per the Purchase Order in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.

To be filled in by ACTED			To be filled in by the Bidder						
Items description & technical specifications	Unit	Quantity (1)	Proposed description & technical specifications (include brand & model if applicable)	Quantity currently available in stock	Country of Origin (made in)	Material (made out of)	Packaging material (if applicable)	Unit Price excluding VAT (ILS) (2)	Total Price excluding VAT (ILS) (1) x (2)
Mechanism of Fixing Caravan as per technical specifications in Annex 2	M2	1							

27. Extra Items
Please check Annex 2 for details and technical specifications

Price includes supplying, fabrications, delivery in the desired location for every unit, where all materials must be of (TAKEN quality) or equivalent, or as specified type or class. The contractor should prepare a complete shelter unit, fully detailed to be approved by the Engineer and considered as a sample, before fabricating the remaining units. All material should match the specifications, detailed drawings and Engineer approval.
