About Acted

For the past 30 years, international NGO Acted has been going the last mile to save lives. Currently, Acted supports 20 million people across 43 countries to meet their needs in hard-to-reach areas - and pursues a triple mandate as a humanitarian, environmental and development aid actor. Acted relies on an in-depth knowledge of local territories and contexts to develop and implement relevant long-term actions, with a wide range of local and international partners, building together a "3ZERO" world: Zero Exclusion, Zero Carbon, Zero Poverty.

Position's context and key challenges

As of February 24th, 2022, Acted deployed an emergency team in Moldova to support people who were affected by the conflict in Ukraine and had to cross the border.

Since then, Acted Moldova has developed to support all the most vulnerable and marginalized population of the country (refugees, stateless and Moldovan).

As UNHCR main implementing partner Acted is still in charge of:

- Transportation from the borders to several destinations in Moldova.
- Organizing site management support activities including infrastructure, distribution, coordination and information management in all Moldova's RACs.
- Deploying a team of case workers around the country to ensure proper case management is delivered and the most vulnerable individuals are supported.
- Implementing Cash for Rent assistance to support refugee in mid-long terms accommodation and support the government and the UN exit strategy.

To anticipate and support Moldova as a whole, Acted started implementing in 2023 Disaster Risk Reduction programming targeting Moldovan CSO and private sector in order to improve the country self-resilience.

In addition, and seeing the dire needs in Moldova Acted is developing 5 main pillars of activities which will cover both Moldovan and refugee:

- Infrastructure and shelter
- Protection and Civil Society
- Disaster Risk Reduction
- Waste and Ressource Management
- Socio – Economical development of rural areas
