About Acted

For the past 30 years, international NGO Acted has been going the last mile to save lives. Currently, Acted supports 20 million people across 43 countries to meet their needs in hard-to-reach areas - and pursues a triple mandate as a humanitarian, environmental and development aid actor. Acted relies on an in-depth knowledge of local territories and contexts to develop and implement relevant long-term actions, with a wide range of local and international partners, building together a "3ZERO" world: Zero Exclusion, Zero Carbon, Zero Poverty.

Position's context and key challenges

Acted has been present in South Sudan since 2007 and is currently operating in Western Bahr-el-Ghazal, Warrap, Jonglei, Upper Nile, Lakes, and Central Equatoria states. Acted focuses on emergency and relief works around water, sanitation, and hygiene promotion; basic infrastructure; food security and livelihoods; and integrated camp management. All of these interventions continue to provide basic and life-saving assistance to vulnerable populations, specifically, IDPs, refugees and host communities.

Since the aftermath of the South Sudanese conflict that erupted in December 2013, Acted has been contributing to the delivery of humanitarian services to 1.7 million displaced persons, 270,767 refugees, and 5.1 million people in need. Acted continues to providing camp management services in 2 Protection of Civilian (POC) Sites, 1 informal settlement and 2 refugee camps, while contributing to Camp Coordination as co-lead of the Camp Coordination and Camp Management cluster. Acknowledging the importance of engaging in early recovery to transition towards sustainable solutions, Acted supports communities in improving their livelihoods through the promotion of income generating activities, community saving groups, and Agro Pastoralist Field schools in Greater Bahr al Ghazal, Greater Upper Nile and Lakes.

Acted provided emergency relief and continued to acknowledge the potential for stabilization and early recovery. Thus, it provided emergency food, shelter and water, hygiene and sanitation assistance to 159,936 internally displaced people in and outside camps, through its static and mobile Camp Coordination and Camp Management (CCCM) response, while strengthening local structures and improving site management, service provision coordination and advocating for improved coverage of the needs and services.

Acted also invested in resilience and long-term programmes. Through its Agro-Pastoral Field School (APFS) approach, Acted improved families' food security level by providing inputs, strengthening decision-making capacities and mentoring on best practices. Complementary, it invested in climate-smart farming practices, natural resources management and saving loans associations, allowing farmers and entrepreneurs to launch and/or reinforce their businesses and income, better access to markets and enhance capacities to cope with external shocks.
