 Untitled Path

 Untitled Path

 Water Point

An aerial photograph of a village in a dry, arid region. The village is composed of numerous small, rectangular buildings with flat roofs, clustered together. A network of dirt roads winds through the settlement. A red line, representing an 'Untitled Path', starts at a 'Water Point' (green hexagon) in the upper right, runs south, then west, and finally south again to a 'Tank' (red square) in the lower left. Another 'Untitled Path' (orange dotted line) branches off the red line towards the top right, leading to the 'Al Khashah Health Unit' (red H icon). The surrounding landscape is sandy and sparsely vegetated with small green shrubs. A north arrow and a 100m scale bar are located in the bottom right corner.
