About Acted

Who we are

Acted works with 19 million people across 43 countries at the intersection of humanitarian, development, climate and environmental programming. We draw on deep contextual knowledge and embrace emerging technologies to save lives, alleviate suffering, and protect and restore our planet. Working in collaboration with a growing ecosystem of local, national and international partners, we pursue one shared objective: a 3Zero World - Zero Exclusion, Zero Carbon and Zero Poverty.

Who we are looking for

You bring the core competencies required for classical humanitarian and development work, alongside an active climate and environmental conscience, and you can navigate the challenges that arise when human and environmental suffering intersect. You have an entrepreneurial mindset: you see opportunities, connect dots, adapt your approach to different environments, and take measured risks in pursuit of results. You balance principles with pragmatism, and ambition with humility.

Position's context and key challenges

In response to the emergency situation in Sudan, Acted recruits.

Key roles and responsibilities

The Monitoring, Evaluation, Accountability and Learning Officer is responsible for the development and the implementation of appropriate and viable monitoring, evaluation, accountability and learning systems that are in line with the Acted's global MEAL procedures and contributing to ensuring that Acted's projects and programs perform as planned.

1. Monitoring, Evaluation, Accountability and Learning Systems

1.1. Technical and Systems Development

- a) Contribute to the development and updating of the country MEAL strategy, the consolidated MEAL work plan and MEAL frameworks for all ongoing projects;
- b) Ensure that MEAL findings are reflected and their recommendations are incorporated in future concept notes, proposals and implementation plans;
- c) Implement the MEAL policies and procedures as described in the Acted MEAL standard guidelines and make sure that the tools are followed as applicable;
- a) Contribute to an effective roll-out of M&E collection and reporting systems to all staff and partners through training, site visits, manuals, and other technical support as needed.

1.2. M&E Implementation and Management

- a) Develop the ToRs and mission plans and carry out assessments, monitoring and evaluations (baselines, mid-terms, endlines) as reflected in the ToR and mission plan;
- b) Develop and oversee the implementation of appropriate data collection and analysis instruments, methodologies (e.g. survey questionnaires, focus group discussions, key-informant interviews) and data/information dissemination/utilization plans;

- c) Closely supervise data collection activities and ensure that data collection teams are organized and resourced as needed, and that they deliver as per field mission plans and according to data quality standards;
- d) Maintain electronic and/or paper-based MIS systems for tracking and reporting all quantitative data and information including reporting on Acted's 28 global strategic program indicators;
- e) Analyze MEAL data and produce reports, factsheets with useful statistical analysis and presentation (charts, tables, histograms, box plots) as necessary in a timely manner;
- f) Measure and report on qualitative and quantitative input, process, output, outcome, impact, objective, and goal-level performance indicators for all projects;
- g) Provide data to the Project Development Team for use in preparation of reports to donors and other stakeholders, as required;
- h) Contribute to donor proposals and fundraising efforts (particularly logical-framework designs, formulation of SMART indicators and MEAL budgets) and reports;
- i) Provide MEAL related capacity building and awareness to implementing partners and other institutions supported by Acted as appropriate;
- j) Represent Acted in different forums on MEAL related issues when required.

2. Learning

- a) Contribute to proactive dissemination and use of knowledge gained through MEAL activities among Project Managers, Technical Coordinators and Project Development Manager/Officers;
- b) Contribute to organizing and facilitating learning events in order to capture best practices and lessons learnt when a project closes or as required;
- c) Document and share the lessons learnt and best practices on time and ensure that the knowledge gained contributes to the improvement of projects and influence the strategic development of future projects and activities;
- d) Support project implementation and improvement by providing timely information around project successes to be scaled up as well as challenges to allow 'course correction' throughout life of the program.

3. Beneficiary Complaints and Response Mechanism

3.1. Oversight of the Beneficiary CRM (only applicable in the absence of an MEAL Manager)

- a) Establish, implement and monitor the beneficiary Complaints and Response Mechanism (CRM) for the country mission in line with Acted standard beneficiary CRM procedures;
- b) Ensure the effective functioning of the beneficiary CRM and that beneficiary complaints/feedback is adequately captured, analyzed, addressed and responded to in a timely manner and utilized by the program and coordination teams;
- c) Oversee the proper management of the project CRM central database;
- e) Build capacity and understanding among Acted staff, partners and contractors on beneficiary accountability and CRM.

3.2. Contribution to the Beneficiary CRM

- a) Contributing to the implementation of the beneficiary Complaints and Response Mechanism (CRM) for the country mission in line with Acted standard beneficiary CRM procedures;
- b) Contribute to the proper management of the project CRM central database;
- f) Build capacity and understanding among Acted staff, partners and contractors on beneficiary accountability and CRM.

4. MEAL Team Management

- a) Ensure that staff under the direct responsibility understand and are able to perform their roles and responsibilities;
- b) Manage MEAL Assistants, Monitors and Enumerators delineating their responsibilities and follow-up the work plans and day-to-day activities;
- c) Ensure a positive working environment and good team dynamics;
- d) Manage interpersonal conflicts among team members;
- e) Undertake regular appraisals of relevant staff;

- f) Identify the MEAL training needs of team members and discuss plans with the MEAL Manager for both internal and external trainings;
- g) Coach, train, and mentor MEAL Assistants, Monitors and Enumerators with the aim of strengthening their technical capacity, exchanging knowledge within the MEAL team;

5. Other

- a) Provide regular and timely updates on progress and challenges to supervisors and other team members;
- b) Participate in MEAL-related conferences and workshops when possible and stay up to date of best practices and new knowledge created in the field of MEAL;
- c) Perform any other related activities as assigned by immediate supervisor.
